

## 11 Year Old Camp

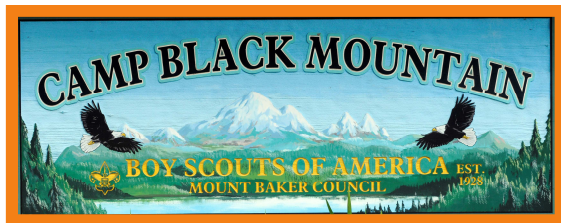

Eleven Year Old Scout Camp is an exciting opportunity for parents to spend special time with their sons.

Parents are welcome to fully participate. They will be working with their own son and other boys in the patrol.

This camp is an excellent opportunity for Scouts to work on advancement, find out how camp works and gain leadership skills that they will use in their troop in the years to come.

## Directions to Camp

From Bellingham (I-5 northbound) take the Sunset Blvd./Mt Baker Hwy (SR-542) to Maple Falls. Turn left on Silver Lake Road and continue north for about 5 miles. The camp entrance is on the right side of the road.
