**KLAHAYA Hike-O-Ree

Darrington
For New Boy Scouts**

Here's a chance for all those new Boy Scouts to get in their first backpacking hike and work on some basic Scout skills like fire building, pitching a tent, knife and axe safety, etc. They will get their first "Boy Scout" patch for attending.

Older Scouts and adults are needed to help with the basic Scout skills learning areas.

Contact Brad McNeil (360-563-0457) or Rick Langlois (425-387-1712) for details and/or to volunteer to help with the weekend.

More information will be available in your unit mailbox.

**Calling All Pack Cub
Camping Coordinators!**

The camping program packets are now available!

Day camp program information will be available at the Mount Baker Council web site, www.mountbakerbsa.org, including registration forms.

Keep in mind that the day camp is the "Camp that comes to the Boy." In order to achieve this, each pack should ensure that all Cub Scouts are given the opportunity to attend a local day camp. Adults are integral in providing a quality program. Each camp needs den leaders, station leaders and others with special talents to deliver a quality program. Visit the Council Day Camp web site frequently for current information.

The coordinator is considered trained when they have attended the entire session and will receive a voucher redeemable for a 50% reduction towards the day camp fee for one Cub Scout. He or she must attend the entire Orientation to earn the voucher.
