

Klahaya
District
SCOUTING
FOR FOOD
2009

**Friday September 11 - Sunday
September 13, 2009**

How does your unit participate?

Identify stores in your unit's area.

Contact the District Scouting for Food Chair with your first and second choice stores and dates. (Multiple units may be interested in the same store for the same days.)

IMPORTANT: The District Scouting for Food Chair will contact each store's manager to fairly assign units to stores.

Appoint a person from your unit to work with the Chair and sign up your unit's Scouts for the store and times you are assigned.

Collect the food and help the less fortunate in your neighborhood!

Thank you!
