

**Tillikum District "WEBELOS-Ree"
Fire Mountain
September 11 & 12, 2010**

This years' WEBELOS-REE, will offer 1st and 2nd Year Webelos the opportunity to participate in activities designed specifically for them in a Boy Scout Camp environment. The WEBELOS-REE is organized as a 1 night campout, with activities planned being geared toward helping the boys attain the Webelos Badge and Arrow of Light, as well as inspiring them to continue in Scouting. Boy Scouts and Scout leaders will handle the activities and skills. This concept will give the Webelos a chance to interact with the "big guys". They will be given a chance to participate in ceremonies, camp wide games, evening campfire, cooking and see some of what they can look forward to as Boy Scouts. At weekends end every Webelos attending will receive the Webelos-Ree attendance patch.

Activities will include but are not limited to: BB guns, archery, a hike, campfire program, Knots, First Aid, and FUN.

Come for the day, or come overnight. Either way, make this Annual Webelos-Ree a part of your Webelos Program.

A Weekend Schedule and Leaders Guide will be available at Roundtable or by request via email. Any questions regarding this event can be answered by calling Jackie Libby at 425-290-8158 or via email at scouterjackie@yahoo.com.

Registration is required by September 7, 2010.

If registration is made by Monday, August 16th there is a \$3.00 per scout discount.

Cost for the event: Webelos - \$8.00, Adults - FREE
