

The Teaching EDGE

Introduction

- Later today, your patrols will participate in a Geocache Wide Game.
 - Geo comes from the Greek word for earth.
 - A cache is something stowed or hidden.
- To play the game, you will learn the steps for taking bearings and finding locations.

The Teaching EDGE

- Explain
- Demonstrate
- Guide
- Enable

This is how we train or teach one-on-one.

Communication Skills

Teaching is communicating.

- Neutral Position
- Feet
- Hands
- Mouth
- Eyes
- Ears

Stages and Approaches

- When _____ starts to learn a new skill or work toward a new goal, _____ will go back to the Forming stage.
- _____ can slip back to a previous development stage if _____ runs into barriers or has failures.
- A teacher should adjust his approach to match the current stage of _____ development.
