	Sunglasses		Moccasins or slippers
	Extra prescription eyeglasses		Personal Scouting equipment
	Sunburn lotion / lip salve		Religious books
	Insect repellent		Mirror (metal)
	Camera		Boy Scout Handbook

Notes:

This is a fully uniformed event, as we model what your home unit/troop or team should look like. The full field uniform will be worn much of the day throughout the course, with activity uniform the balance of the time. All will be in official BSA uniform (the first eight items on the required list) upon arrival at camp. If you are careful and can keep you uniform clean, you can get by with one set if you can't afford or unable to get a 2nd set.

Since BSA has gone to socks in "normal" colors, you may wear your medium to dark grey/green non-BSA Thorlo/Smart Wool/REI/"brand of your choice" hiking socks that look similar instead of BSA socks if you so desire. Other colors (black/white/fluorescent top/etc) won't work. You should look like part of a fully uniformed troop

Pack must be used for getting gear to the campsite. Candidates must not use suitcases, footlockers or trunks at the campsite.

Normal prescribed patrol equipment will be issued, including cook gear. However, **each Scout is responsible for bringing his own personal eating utensils, plate, cup and bowl.**

Also, before coming, see that all badges and insignia that are on the shirt are properly placed. You do not have to have all the badges you earned on both shirts.
