

CUB SCOUT DAY CAMP REGISTRATION INSTRUCTIONS

BREAKING NEWS: The Mount Baker Council Day Camp registration system is now live! We invite all families to register themselves during the Early-Bird registration period, which will end April 15th.

- With the Early-Bird discount, the cost of Day Camp is ONLY \$100.
- After April 15th, the regular cost is \$115.
- Registrations made after June 1 will pay \$130.

As adults sign up their cubs, please remember that in order to run a quality camp we need at least 1 volunteer for every 3 cub scouts that are attending.

Adults who volunteer as a leader at camp for the entire session will receive a free camp T-shirt!

Visit the [Cub Scout Day Camp page](#) for details and to access the online registration.

Payment methods: Credit Card (3% fee), eCheck (no fee) and Mail in.

If sending a unit or group check include contact names and phone, unit number, all participant names and online registration numbers. Once the check payment is received and entered by the council, you may need to return to your registrations to distribute the payment to your attendees and complete the process.

Units may also call the office to use their unit account. (Select Mail-in for this option.)

After April 15th we will combine registrations for each unit into a single record. **Please note: this means that the registration links you received during the early-bird session will no longer be valid.** After this date, login information for each pack record will be forwarded to your pack's Day Camp Coordinator. Your Day Camp Coordinator will review registrations to ensure the 1:3 ratio for adult to youth, and to check in with unregistered members to find out what their Day Camp plans are at that time.

It is a core principle of the BSA that financial need should never be a barrier to participation in Scouting. With that in mind, applicants are invited to apply for the [Mount Baker Council Opportunity Fund Camp Grant](#). Just follow the instructions on the webpage and complete the worksheet with your unit's assistance before accessing the online application. **Please note: You should complete the Opportunity Fund Camp Grant Application before completing registration for camp as full payment is required to check out.**

Day Camp is a wonderful experience for any Cub Scout, so why limit the fun to just one week? Take advantage of our multi-camp discount and send your child to Day Camp for a second week! Or third! Or seventh! To take advantage of this exciting offer you should (1) sign your Cub Scout up and pay for their first week of Day Camp as usual. Then (2) begin to register your child for their next week of Day Camp. Look for the "Multi Discount" button to appear near the top of the page. You will need to (3) enter the registration number for the initial Day Camp your Cub Scout is signed up for and will then receive the discount for the additional week(s).
