

Accessing and Reading BSA Leader Training and Youth Protection Reports

Log into my.scouting.org

Under Menu, find your unit, and then Training Manager

If you're responsible for several units, you may need to use Select Org Level near the top, right corner of the first screen and pick the pack, troop or ship you want to see. Select the desired unit from the list and press Navigate

On this screen, you will see two sections, one for Youth Protection Training (YPT), and the other for position-specific adult leader training. There is a Report button in the lower, right corner of each section

Both reports have an export function. While the wording is slightly different, select the full Export to CSV. This report can be opened with your spreadsheet application of choice.

Mount Baker Council requires annual Youth Protection Training. National BSA requires 2 years. Thus, we must look at the date last completed and NOT the expiration date. Any adult who argues about this or the leader specific requirements and refuses to do the training will not be rechartered. Our volunteer council board voted that training was important and put our council requirements in place. These are not negotiable by individual.

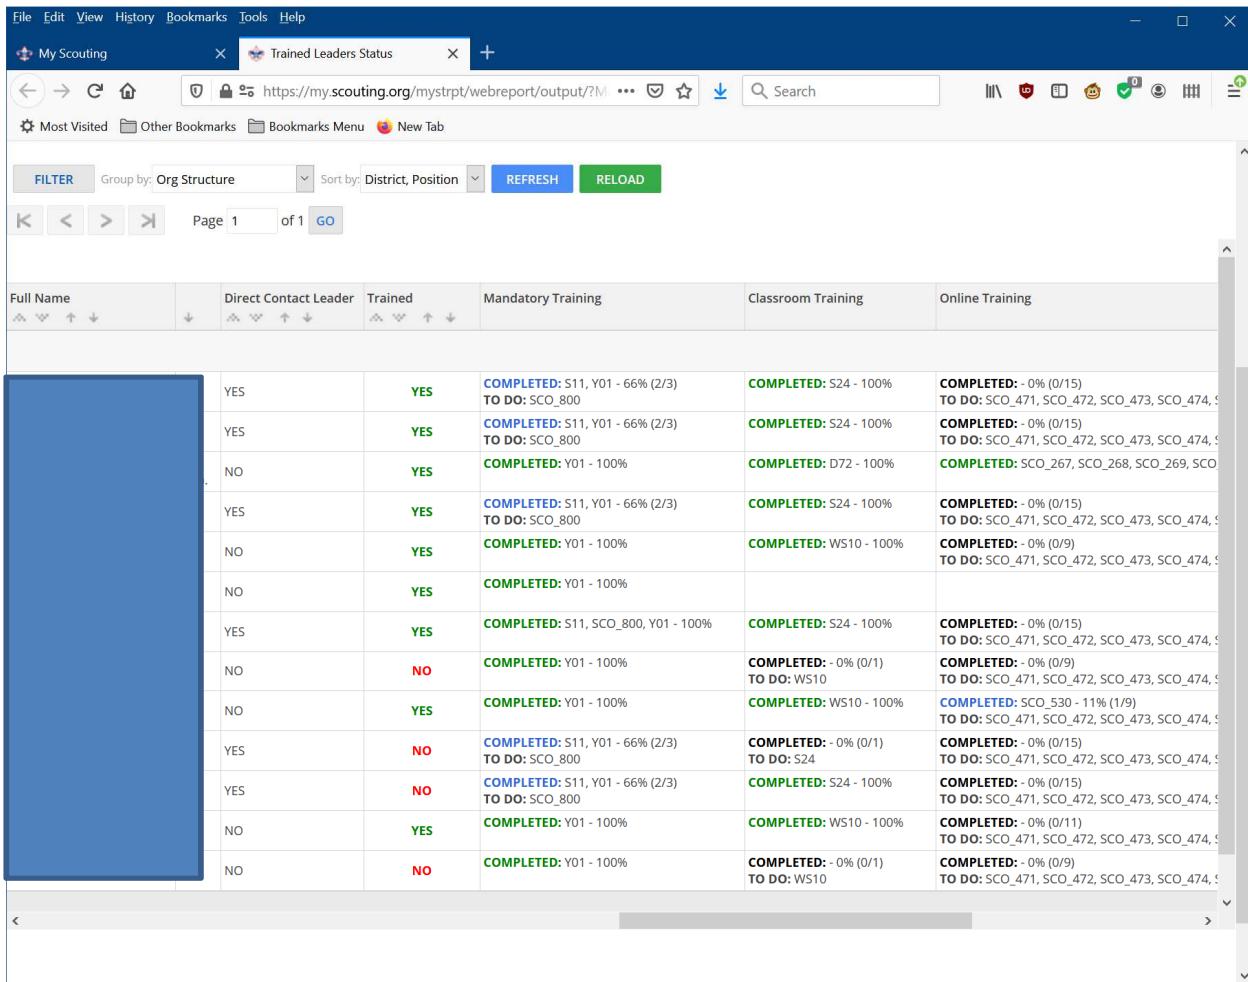

Scroll to the right end of the report and find the column titled Y01 Completed. It must have a 2020 date for 2021 recharter. Note that there are both horizontal and vertical scroll bars that are various shades of grey on the screen that you will need to use to get to all of the screen, which is why the export is very useful.

The screenshot shows a web browser window with the title "My Scouting" and the tab "YPT Aging Report". The URL is https://my.scouting.org/mystrpt/webreport/output/?M... The browser interface includes standard controls like back, forward, search, and a toolbar with various icons. The main content is a table titled "Records: 13". The columns are: Last Name, Member ID, Position, Status, Effective Through, Youth Protection Code, Y01 Completed, Y01 Expires, Email Address, and Registration Date. The "Y01 Completed" column is highlighted with a red border. The data rows show various roles and their Y01 status and expiration dates. Many rows have large blue rectangular redactions covering sensitive information.

Last Name	Member ID	Position	Status	Effective Through	Youth Protection Code	Y01 Completed	Y01 Expires	Email Address	Registration Date
Assistant Scoutmaster	YES	12/04/2021	Y01	12/04/2019	12/04/2021	12/04/2021	01/01/2020

This is a leader-specific training report for a troop, shown scrolled more than half way to the right on the report. This report, like the YPT report, has grey scroll bars that you will need to use.

The screenshot shows a web browser window with the title "Trained Leaders Status". The URL is https://my.scouting.org/mystrpt/webreport/output/?M... The page displays a table of training data for leaders. The columns are: Full Name, Direct Contact Leader, Trained, Mandatory Training, Classroom Training, and Online Training. The "Trained" column uses green text for YES and red text for NO. The "Mandatory Training" column contains course codes like S11, Y01, and SCO_800. The "Classroom Training" and "Online Training" columns show completion percentages (e.g., 100%, 0%) and counts (e.g., 0/15, 0/9). A large blue rectangular redaction box covers the first few rows of the table.

Full Name	Direct Contact Leader	Trained	Mandatory Training	Classroom Training	Online Training
	YES	YES	COMPLETED: S11, Y01 - 66% (2/3) TO DO: SCO_800	COMPLETED: S24 - 100%	COMPLETED: - 0% (0/15) TO DO: SCO_471, SCO_472, SCO_473, SCO_474, S

Start with the column titled Trained. If it says YES, you don't need to look further for that individual. If it says NO, there is work to be done. For den leaders, assistant den leaders, cubmasters, assistant cubmasters, scoutmasters, and assistant scoutmasters, Weather Hazards is required training. Under the Mandatory Training column, that is course SCO_800. That MAY be all they have left to do. Check both the Classroom and Online training columns to see that one or both of them say COMPLETED 100% and green.

Pack adult leaders who are not done with training need to log into my.scouting.org, find their position-specific training, and do it on-line prior to recharter.

Troop training is a bit more complicated. Scoutmasters and assistant scoutmasters must take Introduction to Outdoor Leader Skills (IOLS), which shows up as course S11 under the Mandatory Training column. Given that was not offered during 2020 due to COVID, a training step-out for IOLS is our only reasonable option. However, leader-specific training must be completed on-line.

The Online Training column shows the required courses and the percentage completed. We are not offering in-person classroom training. That may have been completed in the past, and either the classroom or the online column must show 100% completed.

The Scouts BSA online training was revised August 4, 2020. Anyone who was partially done on that date lost all partial credit. We have found that BSA was showing some folks who had in fact completed the old online Scoutmaster Specific as untrained, but perhaps not IOLS or Weather Hazards. The classroom course code S24 has been entered for some individuals in that position. We believe all in that position have been found, but anyone who feels they do not have proper credit for courses completed should speak up and we will review training records.

Also on August 4, BSA added two modules to troop committee chair that are not required for committee member, while at the same time not changing the classroom training. Someone moving from committee member to chair gets caught in this mess. Again, if impacted by this speak up.
