The 2021 Scouts BSA Summer Camp Reservation Process

The Scouts BSA Summer Camp registration platform is completely online giving you more control of your registration. Under this system there are two registration periods, a “Pre-Registration” period and a regular “Registration” period.

MAKING A RESERVATION

1. Pre-Registration Period – 8/24/20 until 1/1/21

For units that register during this period, a \$250 deposit and an estimate of youth & adult attendance is required. This deposit is non-refundable after 12/31/20.

2. Registration Period - starts 1/1/21

For units that register during this period, units will not need to pay a registration deposit but will need to specify the number of participant (youth & adult) slots needed for summer camp and pay the **non-refundable \$25/Scout deposit**. A minimum of 2 trained registered adults over age 21 is required. In troops for girls, at least one of the trained registered leaders over age 21 must be female. Two qualified adult leaders are required for EACH troop even if linked and sharing a campsite.

- ❖ All weeks are open to all Scouts BSA units. Boy troops and girl troops will be in housed in separate campsites, unless listed as a linked troop in the buddy request field entered by your registration contact. A non-refundable registration fee equal to \$25 per Scout reserved will be due at that time and the minimum registration must be at least \$250 (10 slots). The unit may select less than 10 slots, but the amount due will be a minimum of \$250. The unit is now financially responsible for the number of slots requested (minimum \$250).
- ❖ **Individual names do not have to be specified at this time** but can be if the unit chooses to do so.
- ❖ Units may add new slots, if space is available, as needed. Prior to confirmation (due 2/15), you can also reduce your slots. **Once the registration contact has CONFIRMED the total number of slots, they must contact the council office to reduce the number of slots and the \$25/Scout deposit is forfeited.**
- ❖ After 5/15/21, all reduced slots are subject to a 25% refund fee. Units may make changes to the names on existing slots until midnight on the Saturday before their arrival at camp but may not reduce the total number of Scouts.

PAYMENT DATES

ESTIMATE CONFIRMATION and \$25 per Scout deposit - due by 2/15/21

By 2/15, units that made their reservation during the Pre-Registration period are required to confirm their attendee numbers. (Increases subject to camp availability.) The camp fees due at that time will be equal to \$25 per confirmed participant slot. The \$250 deposit made during pre-registration needs to be allocated to individual slots at this time. **Do not confirm a slot unless you have a committed participant. This \$25 per Scout deposit is non-refundable.** If slots are not confirmed within 10 days, they may be released to allow space for those units on the waitlist for that week.

Family Commitment payment - due by 3/15/21

This is the “skin in the game” for your Scouts and covers most of the refund fee should they cancel later in the season. For existing reservations, an additional \$75 participant payment is now due for each youth slot reserved (\$100 total due for each slot reserved) and \$75 per adult slot. The camp fee due for **new** reservations made at this time will be equal to \$100 per youth slot and \$75 per adult.

Opportunity Fund Camp Grant requests must be submitted by 4/15. Available for Mount Baker Council youth only.

Final Payment and Registration Information - due by 5/15/21

- ❖ Units must supply all participant names and Youth Protection dates for adults attending camp by this time.
- ❖ Units paid in full may begin to select Merit Badges for participants when Merit Badge sign-ups open late May/early June.
- ❖ **Full payment for remaining camp fees is due by 5/15/21 to receive the early bird price.**
- ❖ Units may make edits to existing slots until midnight on Saturday before their arrival at camp. If there is still space, units may add to the number of slots in their reservation provided full payment is made online and they can accommodate the additions in their campsites.

Camp Notes and Reminders

-Do not confirm a slot unless you have a committed participant. The Mount Baker Council refund policy applies once you confirm a registration slot. New Scouts/Webelos Crossovers can be registered at a later date, so do not risk unrecoverable troop funds for “possibilities”. Please review [the refund policy](#) prior to committing funds.

-After May 15, Scouts will be charged \$390 for in-council/\$410 for out-of-council, except for new Scouts BSA members. Fees paid at camp increase to \$410 for in-council/\$430 for out-of-council. **All outstanding camp fees must be paid in full upon arrival at camp** in order to check-in. (This includes fees for no-show Scouts.)

-We strive to accommodate campsite requests whenever possible; however, final determination is based on many factors including paid registration numbers, campsite availability, special needs requests, etc. In some cases, two or more units may share a campsite.

-Current online payment options: credit card (3% convenience fee added) and eCheck. There is a \$35 fee added for returned checks and eChecks. The council does not take payment over the phone or by mail for online registration payment. With your payment, please verify that you have ALLOCATED your payment to the correct attendees in the correct amount. Scouts who do not show full payment will not be able to access merit badge sign-ups.

All attendees - youth and adult - must be registered with the Boy Scouts of America. ALL Adults must have a completed background check and current Youth Protection training. Each unit must have at least two BSA-registered, TRAINED leaders over 21 years present at camp.

A current BSA Annual Health & Medical Record is required for every participant – youth and adult, and must be presented during camp check-in. Do not mail your medical forms to camp or a Service Center. Medical forms are valid for 1 year from the last day of the month in which it was signed by the medical professional (i.e. if the doctor signed it July 2, 2018 it is good until July 31, 2019). No participant is allowed at camp without a valid BSA Annual Health & Medical Record. Sports or school physicals are not acceptable for camp.
