BOY SCOUTS OF AMERICA®

## Who is Wood Badge for?

Wood Badge is for all adults in Scouting: anyone age 18 or older, male or female, involved with Cub Scouts, Scouts BSA, Venturing, Sea Scouts, Exploring, district, or council. The only requirements for attending Wood Badge are: that you be registered in the Boy Scouts of America, and that you have taken the basic training for your position, most of which can be taken online through my.Scouting.

## Who is Wood Badge for?

*Service and Leadership for Scouting Service and leadership for America*

1. Examine your own leadership skills by recognizing your own strengths.
2. Practice and improve your leadership skills.
3. Communicate effectively and build relationships and teams.
4. Guide youth and other adults in the development of their leadership skills.
5. Strengthen your commitment to living and teaching the Scout Oath and Law.

## Who Can Attend Wood Badge?

To attend a Wood Badge course, Scouters must:

- Be registered members of the Boy Scouts of America. (There are no minimum tenure requirements.)
- Have completed the basic training courses for their Scouting positions, including current YPT.
- Have completed the outdoor skills training programs appropriate for their Scouting positions.
  - Be capable of functioning safely in an outdoor environment. Completion of Parts A, B & C of the BSA Health form is required for all participants.

## Why should you want to attend Wood Badge?

You want to participate in a Wood Badge course because of things you will learn and do. Here are some of the benefits:

- **Stronger units.** You will make your Scouting unit — and your sons' and daughters' units — stronger.
- **What and why of Scouting.** You will have a deeper understanding of what Scouting is and why we do it.
- **Experience.** You will learn and experience things that will stay with you in Scouting and the rest of your life.
- **Fun.** You will have fun and you will meet interesting people.
- **Other groups.** You will make your other groups, like work, church, even family, stronger.

Here's another summary of why to go. This was originally aimed particularly at Scouters in the Cub Scout program, but it applies equally to all of us.

CUB SCOUT LEADERS! How would you like to attend a training that takes you far beyond your Basic Leader Training? Would you like to build your skills in communication, conflict management and teaching methods? How about a leadership course that rivals many corporate level trainings?

Wood Badge is here for you. This is not a Troop leader training but is designed for Cub, Scout, and Venturing leaders. This course will help you better understand how all the Scouting programs tie together. It will provide you with many useful leadership tools to help enable our youth to have the best possible Scouting experience. There is no better time to attend a Wood Badge course and make a difference in your unit than when you are a Cub Scout Leader.
