What is Scouts BSA?

Scouts BSA is the traditional Scouting experience for youth in the fifth grade through high school. Service, community engagement, and leadership development

become increasingly important parts of the program as Scouts lead their own activities and work their way toward earning Scouting's highest rank, Eagle Scout.

How do I find a Scouts BSA troop for my daughter?

Of course we would love to see you at the Hang Out Day where we can help connect you with a troop, but if you aren't able to make it that's ok. The easiest way to find

any Scouting program in your area is to visit BeAScout.org. The site will ask for your zip code and give you a map of all the near by programs!
