

The **Hike-a-thon** is a fun morning of hiking and Scouting being used as a focus point for Scouts, Scouters, parents, family friends and more to stay physically strong and help raise needed funds to support the adventure of Scouting for the dozens of Packs, Troops, Crews and Ships across Snohomish, San Juan, Island, Skagit and Whatcom Counties and the many youth programs of the Mount Baker Council.

The Way It Works:

When the unit chooses to participate:

- They will select a Hiking Coordinator and sign up through the Online Commitment Form that will be available to establish your unit's team.
- The commitment will generate a Mobile Cause link for your unit's team fundraising efforts.
 - *Starting March 15th through April 29th, your Scouts and your Adult Leaders will be able to send that link to family and friends, asking them to support your Unit and Scouts' adventures this year as well as the Council's youth programs.*
- A unit team registration link will also be sent to fully register Scouts and Leaders for the hike-a-thon.
- In May, the unit will receive 50% of the donated funds. 50% will be used by the Council to support its youth programs and provide administration of this event.
- Your unit can decide to use the funds for any of its exciting adventures, including summer camps, especially at Fire Mountain Scout Camp this summer.
- A unit can choose to hike at Fire Mountain Scout Camp on April 30th or conduct their own hike that day.
- Again, all the Scouts and the Adult Leaders can participate in this awesome fundraising activity.

Two ways to register for the Hike-a-thon

Way 1: Get \$100+ in sponsorship and attend for FREE

- Register your team members for \$0 right now to make sure they get their t-shirt and participation patch for the hike!
- For every member of your team that gets \$100+ in sponsorship for the hike, they will receive their shirt and patch for FREE. You have until the day of the hike to raise the sponsorship \$'s for the free patch and shirt. After the hike, the team will be invoiced for any outstanding registration fees as part of your team's close-out in May.

Way 2: Pay \$30 dollars per person (includes participation patch and t-shirt.)

- We understand there are some Scouters and maybe some parents and family members who want to come and have a great morning of hiking, but aren't looking to raise dollars.
- If you are looking to come to the Hike-a-thon for some fun, you can do that to by registering today!
