

# YOUR ENGRAVED BRICK HERE

## Honor your Scout/Scouter with a commemorative brick at the FMSC Anniversary Plaza!

Engraved bricks can be purchased and placed in the brick walkway, protected from the elements under the covered walkway. You can go online at [www.mountbakerbsa.org/anniversary-plaza/](http://www.mountbakerbsa.org/anniversary-plaza/) to make your selection, customize a brick or bench with your donation and leave a meaningful legacy at Fire Mountain Scout Camp. You can also choose other sponsorship items such as picnic tables, posts and flagpoles.

*It is that easy!*

Preserve your Scouting legacy, celebrate the fun, adventure and experience of Scouting and help build a plaza worthy of Fire Mountain Scout Camp's 50th Anniversary. A personalized brick is a fantastic way to honor the dedication of Scouters you admire or the Scouts who you have seen grow in the program.

Arranged in a beautiful setting at FMSC at the heart of the camp, these bricks, benches, flagpoles, etc. are a symbol of Scouting's enduring strength and its legacy within our Council territory in the Pacific Northwest. You are invited to use bricks or benches to list names and express sentiments special to you or your group.

Proceeds support the construction of this legacy feature and other projects at FMSC, where Scouting meets the outdoors and fun and adventure begins for many Scouts and Scouters.
